Inspiring our children to dream big, be extraordinary and change the world

26th April 2024

Headteacher's Message

It was Earth Day on 22nd April and the children took part completing some activities on how we can make the Earth a better place. Mrs Kothary introduced the idea to children last week and followed it up with an assembly on Monday. Each year group had theme that they could explore and look at the causes this has on planet Earth. Each of the themes linked into our Science and/or Geography units of work and what the children have been learning about as follows:

Year 3 - reducing, reusing and recycling

Year 4 - water

Year 5 - ocean pollution

Year 6 - deforestation

It was nice to see the children engaged in an important topic and how we can all make a difference. On Monday's assembly, the Eco-Council shared what they had been learning about in their class. Thank you to Mrs Kothary for organising the event and activities. Mr Dourado

A very happy birthday to: Charlotte (5D), Alex (6H), Bella (5D), Skyla (3AC), Rohan (5A), Charles (4M) & Hana (5A)

Attendance Matters!

Our attendance for this week is **93.6%** which is below the Government target of **96.1%**.

Congratulations to **6H** who led the way as our Attendance Champions with a fantastic attendance of **98%** Well done!

A big well done to **3L** who are our Punctuality Champions.

Please help us by ensuring your child's arrival is prompt. The school gates open at 8:35am and close at 8:50am. If possible, please schedule doctors or dentists appointments after school.

Special Achievements

It is always a pleasure to hear about children's achievements outside of school.

Congratulations to **Charlotte (5D)** who passed her Grade one clarinet exam and gained a merit. Well done!

Congratulations to **Nathaniel (4V)** who has passed his Stage 1 swimming. Well done!

Congratulations to **James (6K), Noah (6H) and Shreaya (6H)** who supported their older age group to play rugby against a team from Lisbon who were touring the UK. They played really well and demonstrated all the values of rugby namely sportsmanship, teamwork, resilience, enjoyment, discipline. Well done!

House Points

It is always lovely to see so many children be awarded individual house points for excellent work or effort, modelling the school values or going above and beyond in the classroom.

Attenborough	-	193
Blackman	-	190
Fiennes	-	200
Storey	-	192

Well done to Fiennes

We're thrilled to share that on Monday, April 22nd, Ashfield School joined in the global celebration of Earth Day. Teachers and students alike fully immersed themselves in activities aimed at raising awareness about our planet's precious resources.

The day began with a special assembly, where we delved into the importance of Earth's natural resources. We discussed the ways in which humans impact the environment and the animals that call it home, prompting thoughtful reflection on our responsibilities towards them. The assembly also inspired students to explore environmental conservation further within their year groups.

Following their research and learning, our students showcased their creativity and dedication to environmental awareness through various projects. Year 3 created informative posters highlighting the importance of the 3Rs: Recycle, reduce, reuse. In Year 4, students crafted posters and poems emphasizing the value of water conservation and ways to avoid waste. Year 5 focused on the detrimental effects of plastic pollution, especially on marine life, and shared bold messages to encourage change. Meanwhile, Year 6 students embraced the topic of deforestation, becoming eco-superheroes as they illustrated the causes and effects through engaging cartoon strips. They also spread a powerful message about sustainable living, inspiring others to follow suit.

We're incredibly proud of our students' dedication to environmental stewardship and their efforts to make a positive impact on our world. Through their creativity and passion, they're demonstrating the importance of caring for our planet and inspiring others to do the same.

Thank you to all our teachers and students for their enthusiasm and commitment to Earth Day and environmental conservation. I hope your child will engage you in an interesting discussion around their learning.

What we will be learning next week
