School Vision

Inspiring our children to dream big, be extraordinary and change the world

We are a Compass for Life school, where children set their 'North Star' about what they want to be when they are older. We support children on their learning journey with what they need to do to achieve their dreams. These skills and a growth mind-set are valuable and prepare them for life in school and beyond.

School Values

- ▶ Respect
- ▶ Kindness
- ▶ Resilience
- ▶ Cooperation

Year 6 Curriculum

We have daily English sessions focusing on mastering the Year 6 curriculum in order for the children to feel confident when they move on to secondary school. For further details on the Year 6 curriculum, please see our school website:

[Year 6 - Ashfield Junior School](#)

English

- ▶ Our aim this year is to get children to the expected standard or greater depth in reading, writing and SPAG (spelling, punctuation and grammar).
- ▶ To this end, we have daily English sessions focussing on mastering the Year 6 curriculum in order for them to feel confident when they move on to secondary school.

You can help your child by:

- ▶ Checking that they are reading and discussing the text with them.
- ▶ Encouraging them to read for longer in order to build reading stamina.
- ▶ Encouraging them to read more challenging texts and a wider range of genre.
- ▶ Watching/reading the news and discussing current affairs and events.

Reading

Choosing challenging texts and reading a range of genre.

- ▶ See recommended reading lists on the school website.
- ▶ Finishing the books they select is important
- ▶ We are reading and discussing class novels daily.

Reading to build reading stamina.

The aim:

- ▶ to be able to read for at least 20 minutes with no break
- ▶ to be able to read (with comprehension) about 20 pages in that time.
- ▶ We are reading in school for 10 minutes each day to support this.

Spelling

- ▶ Lessons are aimed at understanding spelling rules.
- ▶ The Year 3 /4 and Year 5/6 word lists are in children's spelling books - it is important that the children can spell these words accurately.

Homework

- ▶ Children will generate rules and lists of words in their weekly spelling lesson.
- ▶ For homework, they will be given a task to complete related to the spelling rule for that week.
- ▶ Children will be informally tested on the words and spelling rules we have been exploring in class.

Year 6 Curriculum

Maths

You can help your child by:

- ▶ Revising multiplication and division facts for all the times tables up to 12x.
- ▶ Encouraging them to use Maths in real-life contexts eg. money, measure, time, etc
- ▶ Practising their mental maths through playing games involving numbers, e.g. Monopoly.

- ▶ Children have a home schedule in their homework diaries. They also have a copy of all passwords needed for websites such as TTRockstars.
- ▶ All homework has a week to be completed.
- ▶ Please encourage your child to develop a routine wherein they have a set space and time to complete homework (particularly with reading). These routines will help your child feel confident with the volume of homework in secondary school.

Homework

The children will be given up to 2½ hours of core learning tasks each week. Children will usually be given a week to complete each task. Tasks will usually be given according to this rota:

| | |
|-----------------------------------|------------|
| Reading Homework | 60 minutes |
| Maths | 60 minutes |
| Spelling, Punctuation and Grammar | 30 minutes |

Any extra homework time should be spent on reading.

If your child is struggling with his/her homework, then please make a note in their diary and encourage him/her to seek help from their teacher before the homework due date.

Google Classroom

Children will know when homework is set there. If they require a paper copy, teachers can provide one.

We will also post other items there as reminders such as Tie Assembly Words, Reminders of events such as School Council and Eco-Council elections and Leavers' Show songs and words.

Children can complete homework set online in their Spelling Books, on paper or upload it to Google Classroom where their teacher can see it.

Mobile Phones

- ▶ A copy of our mobile phone policy can be found on the Ashfield Website ([Policies - Ashfield Junior School](#)) but here are the headlines for children's phones:
- ▶ While we recognise that mobile phones are part of everyday life for many children, for most pupils, bringing a mobile phone to school is completely unnecessary. Mobile phones can prove a distraction in school and can provide a means of bullying or intimidating others. Therefore:
 - Pupils are not permitted to have mobile phones at school or on trips.
 - If in the event of a parent wishing for his/her child to bring a mobile phone to school, the parent must complete and application form for mobile phone use and submit it to the school office in advance. We are a **SMARTPHONE FREE** school. We would like parents to support this by providing your child with a mobile that is **NOT a SMARTPHONE**.
 - Permission will only be granted in special circumstances. A child walking independently from home to school and back does not constitute special circumstances. If however, a child travels a considerable distance alone and by public transport - this may constitute special circumstances.
 - The device must be a basic phone (not "smart") - only capable of sending simple text messages or making phone calls and it must be handed in, switched off, to the phone box first thing in the morning and collected from them by the child at home time (the phone is left at the owner's own risk).
 - Mobile phones brought to school without permission will be confiscated and parents will be expected to collect the phone from the school office at the end of the school day.
